Yesterday's Games. Butte 5, Boise 2; first game. Butte 6, Boise 10, second game. Salt Lake 2, Spokane 5, first game. Salt Lake 4, Spokane 5, second game.

Double disaster befeit Gimlin's Elders a Walker's ball park yesterday afternoon Twice the Saints crossed bats with Rellly's band of warriors, and twice the saveges from Spokane emerged victorious. Superior batting plenty of luck and good work by the Spokane pitchers gave the visitors both games. The Elders out the visitors between the visitors both games. The Elders out the visitors between the visitors between the visitors between the visitors are visitors. Twice the Saints crossed bats with savages from Spokane emerged victorifielded their opponents at all stages, but were not there with the willow at critical moments when hits meant runs.

Frary Was a Star. Ralph Frary was the bright and shining star of the game. The Spokane outfielder knocked out a home run in each game scoring five runs. Both times the tallies were needed to win. In the first game Frary lifted the ball high over the leftheld fence when two men were on bases. In the second game he repeated the trick, scoring two tallies when the score was 4 to 3 in favor of the locals. He also field-

ed brilliantly, pulling down seven flies in

the second contest alone. Dammann and Hogg did the slab work for the visitors and both behaved well. Hogg pitched a brilliant game, although he was wifd at times. Only six hits were secured off his delivery and seven Salt Lake batters were struck out. Meredith rand Essick were on the rubber for the Elders. Essick pitched excellent ball, al-lewing but nine hits and striking out four-men. He gave but one free pass. Mere-dith was touched up more freely and did not have very good control.

Trouble in the Fifth.

Trouble in the Fifth.

Umpfice Ward was criticised somewhat by the fans, but his work throughout was satisfactory. He was fair and impartial throughout and, except on one or two occasions, his judgment was excellent. Trouble started for the Saints in the fifth inning of the first game. Ferris and Rockenfield received transportation and Frary was at bat. Selecting one to his liking, the big outfielder lifted the horse-nide fully twenty feet over lite left-neld fence. This gave the indians a safe lead and they were never headed.

In the eighth inning the Eiders tried hard for a garrison finish, but fell short. With one man gone and one run in. Dammann allowed the cushions to become filled. Meredith had a chance to win his own game, but instead he bunted an easy one to the Spokane pitcher, which resulted in a double play that retired the side. This ended the rally and the game closed with a score of 5 to 2 in favor of the visitors.

The Elders started off right well in the second game, securing two tailies in the third inning. In the fourth, however, Ralph Frary knocked out his second home run of the day, scoring himself and two others and giving the Indians a lead of one run.

Two hits, a base on bails and an error notted the Saints two more runs in the fifth inning, placing them again in the lead. All went well until the "fatal seventh," when Essick allowed three safe ones, giving the Indians two tallies. Sait Lake could not overcome the slight lead, and the second game was gathered up by Chief Reilly without a struggle. Score, 5 to 4.

# Even Break for **Butte and Boise**

First Game Errorless, and Second One a Regular Slugging Match.

Special to The Tribune. BUTTE, Mont., July 10.-Butte won the first game this afternoon owing to the ability of the Miners to smash the ball when hits meant runs, and also through dismal errors made by the Boise team.

when hits meant runs, and also through diamal errors made by the Boise team. Vasbinder and Starkells were opposing slab artists. Vasbinder kept his hits scatter and was given faulitiess support. The Miners today played the kind of ball behind Vasbinder that wins pennants. S. I. was touched for total of nine singles, but good fielding by home talent kept scoring down. Vasbinder was a Chinese puzzle to many of the infants, causing seven of the visitors to claw chunks out of the air. Starkells twirled a good game, but received poor support. The Miners were able to get but seven hits off him. The home talent started scoring in the first inning, when Ward singled. Ward sacrificed him, and by some weird throwing of Starkells, while handling Bunkle's sacrifice, both men scored.

Boise first got a look-in at the score in the second inning. Hammond walked and went to second on a wild pitch by Vasbinder. Starkells then scored Hammond by driving out a single. Boise secured another tally in the fourth inning Flannery opened the meeting with a nice single, and Hanson cracked out a two-bagger, scoring Flannery. That was all that there was doing in the run-geiting line for Boise during the game.

In the sixth inning Butte put the game away on ice. Shaffer singled and Elsey tried to bunt. Babbit let the ball go through him on the throw to catch Shaffer at second, and when the scrimmage cleared away Elsey was on second and Shaffer had anchored at third. McHale then cleared the bases with a two-bagger. Bandelin brought McHale home with a timely hit. The grade of ball put up by the Miners in the second game was miserable.
